

Supported Internships

lifeworks
Learning disability champions

A work-based study programme for 16-24 year olds with Special Needs and/or Disability (SEND) who have an Education, Health and Care (EHC) Plan. A supported internship is a work placement with the support of a job coach.

Aims of a supported internship

- Support to develop the skills valued by employees
- How to demonstrate value in the workplace
- Develop confidence in own abilities to perform successfully at work

Supported interns are enrolled and supported by the college, but spend most of their learning time – around 70% – in a workplace

Supported internships last for a minimum of 6 months and up to a year
